§ 208.1 Applicability of part.

This part 208 applies to proceedings of the Commission under section 112(c) of the African Growth and Opportunity Act, as amended (19 U.S.C. 3721(c)).

§ 208.2 Definitions applicable to this part.

(a) *Beneficiary sub-Saharan African country.* The term “beneficiary sub-Saharan African country” means those countries so designated by the President under 19 U.S.C. 2466a.

(b) *Lesser developed beneficiary sub-Saharan African country.* The term “lesser developed beneficiary sub-Saharan African country” means a beneficiary sub-Saharan African country that had a per capita gross national product of less than \$1,500 in 1998, as measured by the International Bank for Reconstruction and Development; Botswana; and Namibia.

(c) *Applicable 1-year period.* The term “applicable 1-year period” means the 12-month period beginning on October 1 and ending on September 30 of the following year.

§ 208.3 Petitions.

(a) *Who may file.* A petition under this part may be filed with the Commission by an interested party, including a producer of fabric or yarn in a beneficiary sub-Saharan African country, a producer of apparel in a lesser developed beneficiary sub-Saharan African country, or any other person who demonstrates to the satisfaction of the Commission a proper interest in filing a petition.

(b) *Contents of petition.* The Commission will consider only petitions that address a single yarn or single fabric. The term “a single yarn or single fabric” means a single product, which may be classified in more than one heading of the HTS or may be only part of a heading. A petition shall include the following information in support of a request for a Commission investigation and determination under this part, to the extent that such information is available from governmental or other sources. To the extent information is not available from such

sources, the petition may be based on best estimates, including an explanation of the basis therefor. If the petition does not include the required information and/or estimates and explanation, the petition will not be accepted, and it will instead be returned to the submitter. All quantities must be expressed in the unit of quantity used in the Harmonized Tariff Schedule of the United States, showing any conversion factors used (for example, most woven fabrics are reported in square meters, and most apparel are reported in numbers of units).

(1) *Product description.* The name and description of the fabric or yarn concerned, including fiber content, yarn size, fabric construction, and finishing processes, specifying the United States tariff provision under which such article is classified (to the 8-digit level if possible) and the beneficiary sub-Saharan African country or countries in which the fabric or yarn is produced.

(2) *Statement of interest.* The names and addresses of the interested party or parties filing the petition or represented in the petition, the location and nature of their establishments, a description of the fabrics, yarns, and apparel that they produce, import, and/or sell, for each party filing or represented (including but not limited to the fabric or yarn that is a subject of the petition), and the basis for asserting that such person or entity is an interested party eligible to file a petition under this part.

(3) *Basis for certain statements.* The basis for asserting that the subject fabric or yarn produced in a beneficiary sub-Saharan African country is available in “commercial quantities” and for “use” in a lesser developed beneficiary sub-Saharan African country or countries. In support of a claim that such fabric or yarn is available in “commercial quantities,” provide evidence for the 3 most recent full years for which information is available, and partial year data for the most recent year (if less than a full year), that such fabric or yarn is available for sale to third parties and the quantities offered, and any evidence of such sales to third parties. Include advertisements or other documentation in support of such claim. In support of a claim that
